

## Our offer

Studio-11 offers film production and post-production services for cinema, television, multimedia exhibitions and Internet.

In 2015, we produced „Kantor’s Circle“, a long feature documentary film co-financed by the Polish Film Institute and the Ministry of Culture and National Heritage of the Republic of Poland, co-produced by Telewizja Polska S.A.

### Pre-production:

- Creative work on scripts
- Budgeting and schedule
- Location scouting, character’s research and documentation
- Research of archives (photographs and film)
- Set and costume project and design
- Preparation of meetings and interviews

### Shooting:

- Organization of the shooting (team, equipment, lights, transport...)
- Set construction
- Interviews in Polish, English and French
- Sound and music recording

### Post-production:

- Archives editing
- Transfers
- Film editing
- Color correction
- Sound editing and mixing
- Stop-motion animation
- Final copy
